INDEX

WHO WE ARE

We are a result-oriented management team with decades of experience in delivering major mega projects in the Energy and Oil and Gas sectors.

We position our engineering knowledge, profound procurement network, quality management skills, project management expertise and sense of ownership to meet our customers' delivery needs, while increasing profitability and achieving the highest quality standards.

MISSION

We are committed to provide tailored solutions to meet customers' needs and ensure on-time delivery according to Project priorities with the highest Quality standards by using optimum resources.

VISION

To become a customer's obvious choice by providing comprehensive and effective Supply Chain Management solutions through innovative and reliable services. We believe that a positive attitude and adaptive behavior are key elements of success.

POLICY

Guided by our Ethics and Values, we are committed to comply with our Quality Management System. We empower our employees to continually improve processes to achieve Customer Satisfaction which is our primary goal.

OUR PEOPLE

Our business comprises our Operations and Technical Integrity functions.

Our Operations function positions the market to offer information & solutions, assists our Customers' in making their purchase decisions and drives the process to ensure on-time deliveries.

Our Technical Integrity function ensures that we deliver in line with our Customers' technical & quality requirements and helps achieve solutions that supports our Customers' schedule priorities.

Our functional Directors have vast experience in delivering mega projects in the Energy and Oil & Gas Industries. They have held various positions with multinational EPC Contractors and Project Management Consultancy (PMC) firms.

During the past three decades, the team has handled many Pipeline, Process Facility Development, Refinery and Maintenance Projects with major Oil Companies like Abu Dhabi National Oil Company (ADNOC), Saudi Aramco, British Petroleum (BP), TOTAL, Nigerian National Petroleum Company (NNPC), Petroleum Development of Oman (PDO) and Sharjah National Oil Corporation (SNOC).

We believe that leadership involvement and the right resources with adequate skill sets are the key factors for a successful business model.
